

Accessing j2 Launch and j2write to submit writing

1. Go to:

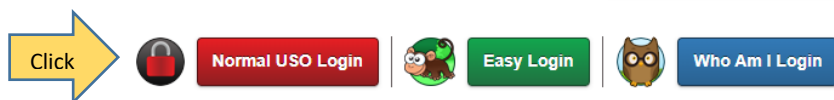

<https://www.lgfl.net/learning-resources/summary-page/j2e-tool-suite>

The screenshot shows the LGfL website header with navigation menus and a search bar. The main content area features the 'j2e Tool Suite' section, which includes a description, a summary, and a 'Contact J2e for free telephone and skype Support' button. To the right, there is a 'LAUNCH RESOURCE' button with a link to 'j2launch.lgfl.net', a 'RELATED TRAINING' section, and a 'Related videos' section featuring a video titled 'Just easy'.

2. Click on Launch resource.

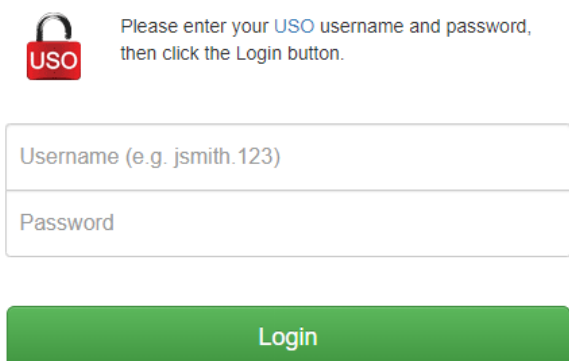

Choose an option below to sign in to

The image shows three login options: 'Normal USO Login' (with a padlock icon), 'Easy Login' (with a cartoon character icon), and 'Who Am I Login' (with an owl icon). A yellow arrow points to the 'Normal USO Login' button.

If in doubt, click "Normal USO Login".

3. Click on Normal USO login

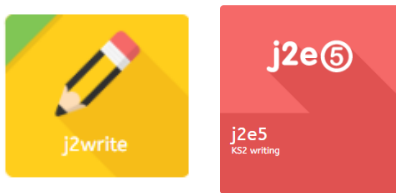

The form includes a padlock icon and the text: 'Please enter your USO username and password, then click the Login button.' Below this are two input fields: 'Username (e.g. jsmith.123)' and 'Password'. At the bottom is a green 'Login' button.

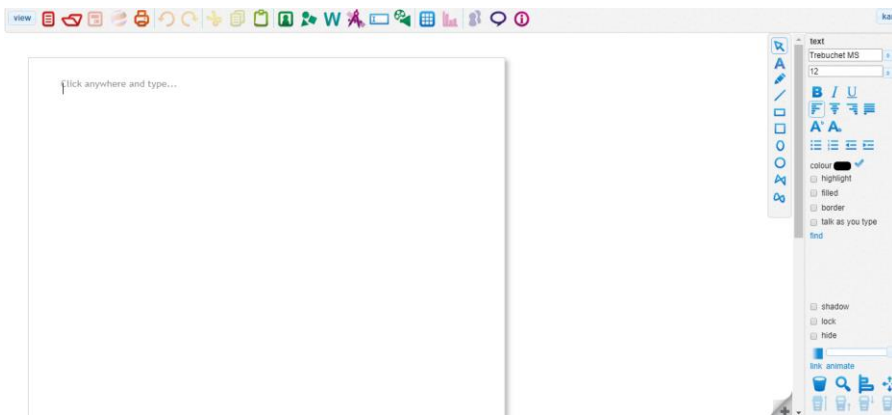

4. Enter your child's Lgfl account and password, then log in. (Your child's account details were attached to the letter with recommended websites before school closure. If you cannot find this information and your child does not remember them, contact the school).

5. You will access the screen above.

6. Select J2write, then KS2 writing.

7. Type into the page. Be sure to save the writing.

SAVE – give the writing a title.

ADD PICTURES

Highlight the writing and click to hear it back.
