All pupils return to school arrangements

30th June 2020

Dear Parents /Carers,

As you know, we are currently making arrangements to facilitate the opportunity for all children to return to school for seven morning or afternoon sessions, following the change in government guidance to reduce the social distancing rule to 1m+. We are adapting the successful model we developed for the children in year 6 and are adjusting our risk assessment accordingly.

The health and safety of the whole school community is our key concern. To this end, we have decided that children with siblings in our school will both be placed in smaller afternoon pods. This will ensure there are less interactions between the children and provide similar timings for parents to drop off and pick up their children (if applicable).

We intend to inform you about your child's (or children's) group on Friday.

To enable us to do this, if you haven't already done so, it is important that you complete the survey by following this link: <https://www.surveymonkey.co.uk/r/RJSreturn> by 5pm on Wednesday 1st July, otherwise we will assume your child is not attending .

Please note:

- Parents of children in year 6 must complete the survey, as arrangements for them will be changing to the new model outlined previously.
- If you have already completed the survey you do *not* need to complete it again.

As you can appreciate, we are having to contend with a number of issues when grouping children and are unfortunately unable to accommodate all requests from parents. If you are not content with the option of morning or afternoon that you are offered, and your child is in years 3, 4 or 5, we will respect your decision to keep your child at home.

Thank you for your ongoing support.

Yours faithfully,

Bola Soneye-Thomas
