7th May 2020

Dear Parents/Carers,

I hope that you are all keeping safe and well.

The staff team are really enjoying talking with the children when they make their fortnightly phone calls. They shall obviously continue to do this.

We are still unclear as to exactly what is happening regarding schools reopening, in spite of the numerous rumours in the media. We are all expecting some clarification on Sunday. As soon as we know anything more, I will write to you to let you know.

Feedback about the new learning packs has been positive – thank you. A small number of you have asked us to help with devising a timetable. Obviously, everyone has different circumstances and we cannot be overly prescriptive as to what is done when, as this might not fit into your daily schedule. However, there is a more detailed (optional) timetable overleaf.

Haringey has compiled some handy tips on play for families that you may find useful.
https://www.haringey.gov.uk/sites/haringeygovuk/files/importance_of_play_and_interaction_leaflet.pdf

This is a challenging time for us all in different ways. Some of you may be experiencing difficulties in providing enough food for your families. The North London Community Consortium is offering occasional grocery shopping and the daily delivery of hot meals to a number of families in need in Haringey. Please email them at admin@northlondoncommunityconsortium.co.uk or ring Beverley on 07873 555 855 to find out more if this is a service that you would find useful.

Rokesly is also able to issue vouchers for the Food Bank. If this is something that would be helpful, please contact the school office by email or telephone.

I would like to end my letter with some fantastic news. Well done to Alma in year 4 for being a winner in the London Mayor's Fourth Plinth exhibition that several of our Rokesly children entered. Please visit the school website or Insta to see her winning design. Well done to everyone that submitted an entry.

Please take care and stay safe.

Kind regards,

Bola Soneye-Thomas
Headteacher
