Dear Parents/Carers,

Re: Possible reopening of school to more pupils in June

You will have seen in the news that schools may reopen on 1st June for reception, year 1 and year 6 pupils, if infection rates and the government's other tests at the time allow it.

We're waiting for further guidance and clarification from the government right now, which will hopefully help us create an action plan for our phased reopening. We'll share this with you as soon as possible, so you know what the school's reopening will look like in practice.

It's a very unsettling time for us all, but rest assured that we're going to be doing everything we can to make sure we're ready to receive year 6 if it's considered safe for our school to reopen in the coming weeks.

However, we will not put pressure on anyone to send their children to school, since you know your children and personal situation best. We'll keep you updated with all our preparations for making sure the school is as safe as possible, so you can make an informed decision.

In the meantime, the school is still open **only** for vulnerable pupils and the children of critical workers. We know some employers will be encouraging you to return to work, but we're not in a position right now to extend places to other children until we receive further government guidance.

We'd like to thank you for your continued support. Please continue to do what you can to help your child learn from home.

Please take care and stay safe.

Kind regards,

Bola Soneye-Thomas
