Dear Parents/Carers,

The first half of the summer term has been a disjointed one with bank holidays and strikes days, but there has still been a lot happening and the children and staff have continued to work hard.

Year 6 have been sitting their Year 6 Key Stage 2 SATs tests this week. They were understandably nervous at first, but after completing the first test, many of them felt better. They realised that they were well prepared and these tests could be seen as their year 6 assessments. Well done year 6 whatever the outcome they have all applied themselves. We are extremely proud of them!

The curriculum continues for the rest of the academic year after SATs for year 6. It is imperative that they attend school everyday and on time as we continue to work on their writing portfolios for the writing SATs. We also increase our focus on ensuring that they are secondary school ready.

Next week will be assessment week for the rest of the school. Alongside assessments the whole school will also have Art Week. The work produced during Art Week is always very impressive. You are invited to come and see your child's work at our Annual Art Exhibition on Thursday 27th May. It will be a fantastic evening so please put the date in your diary as it is an evening not to be missed. I am very much looking forward to it and I hope to see you there.

Best wishes,

Bola Soneye-Thomas
Headteacher
