

Dear Parents/Carers,

We are rapidly approaching the end of the autumn term and the two week break for the Christmas holidays. Please do not be tempted take your child out of school early for a holiday. The current attendance rate is 96.13%, in line with the national averages and we are trying hard to keep it in line or above.

On a festive note the school Christmas lunch will be on Wednesday 18th December. You are able to purchase lunch for that day even if your child does not normally have school dinners. On Wednesday 18th December you are all invited to join us in the Round Hall straight after school for carol singing around the tree.

Yours faithfully,

Bola Soneye-Thomas
Headteacher

Week beginning 9th December is STEM (Science, technology, engineering and maths) week at Rokesly

There will be a focus on STEM related careers with talks by different people and organisations. Thank you to all the parents/carers that have volunteered to come in and talk about their profession.

Visits/visitors

Year 6 visited the Imperial War Museum to learn more about World War II, which is the unit of work that they are currently studying in history. They told me that they really enjoyed the trip.

All of year 5 received some first aid training earlier this week with trainers from FAB First Aid for children. They learnt how to administer basic first aid and how to use a defibrillator.

Well done to each of the year 4 classes for their enjoyable WCIT concerts. They are doing so well.

The choir will be busy next week. On Wednesday 11th December in the evening they will be singing at Alexandra Palace between 5.30pm and 6.30pm and on Thursday 12th December at 11.15am they will be singing carols at Wood Green Shopping City.

On Tuesday 10th December Parentzone will be visiting the school to deliver an interactive presentation exploring aspects of online safety to the whole school. Please ask your children about what they have learnt.

Online Safety Workshop – Thursday 12th December at 6pm

Our children are living in a digital age and it is important that as parents we have an understanding of some of the many benefits that this can bring and also an awareness of some of the challenges that children may encounter. Please join us for a session to explore and discuss keeping your children safe online with their existing gadgets and with any new ones that they may receive as Christmas gifts.
