

## **WEBSITES - Further suggestions to support your child**

The websites below offer a wealth of excellent, safe learning opportunities to help support your child's learning at home. It is important to ensure your child does not spend too much time in front of a screen. Adopting a digital "5 a day" approach is sensible. See <https://www.childrenscommissioner.gov.uk/our-work/digital/5-a-day/> for more guidance.

For advice on digital parenting read <https://www.rokesly-jun.haringey.sch.uk/wp-content/uploads/190212-Digital-Parenting-leaflet.pdf>

[www.twinkl.co.uk/parents](http://www.twinkl.co.uk/parents)

Twinkl are offering parents one free month of their Ultimate Membership. Just sign up using an email address and the code: TWINKLHELPS Through the parents' section of the site, you can access parent guides, activities across the curriculum and Year 6 maths revision work.

<https://classroomsecrets.co.uk/free-home-learning-packs/>

Classroom Secrets have produced home learning packs for each year group with maths, spelling, grammar and reading activities. There are also useful parent guides to accompany each pack.

<https://kids.classroomsecrets.co.uk/>

Classroom Secrets Kids are currently offering free sign-up to their beta learning platform. This provides grammar, spelling, maths and reading games and some useful revision exercises for Year 6.

<https://classroommagazines.scholastic.com/support/learnathome.html>

Scholastic has created an online learning platform with day-to-day activities and projects for children on a variety of subjects. At present, there are 5 days of learning tasks and another 15 are due to be added. The website is American so some topics may not be relevant. Please note: grade 2 = year 3, grade 5 = year 6.

Home learning packs for maths which cover fluency and reasoning questions from a range of topics across the curriculum. There are also some SATs specific examples, practice papers and videos for Year 6.

[http://www.tts-group.co.uk/on/demandware.static/-/Library-Sites-TTSSharedLibrary/default/vaea75f5663a038b8658d258fd198e57ce70b35d6/images/homepage/My\\_Activity\\_Book\\_Yrs\\_7\\_11.pdf?version=1,584,037,589,000](http://www.tts-group.co.uk/on/demandware.static/-/Library-Sites-TTSSharedLibrary/default/vaea75f5663a038b8658d258fd198e57ce70b35d6/images/homepage/My_Activity_Book_Yrs_7_11.pdf?version=1,584,037,589,000)

TTS have written a pack of activities covering all curriculum areas. There is a combination of independent and collaborative learning activities which are easy to use and explained clearly.

<https://www.bbc.co.uk/bitesize/primary> – revision guides, videos and activities

<https://www.topmarks.co.uk/> - games, useful links and videos

<https://wowscience.co.uk/> - activities, links and ideas relating to primary science topics

<https://www.lgfl.net/learning-resources/grid>

London grid for learning: The school is part of the London Grid for Learning which has some excellent resources. For example, J2 Blast in the J2 Tool suite has excellent fun spelling and maths activities. Your child will need to log in using their Lgfl account details.

**It is vitally important that children remain active and that mental wellbeing is a priority during school closures. Please access the following links for ideas and resources.**

<http://eepurl.com/gVYzoD> Healthy Futures is offering a free subscription service that any parent can sign up for. They are emailing learning bundles with resources for physical activity, mental wellbeing, health and nutrition.

<https://online.succeedin.co.uk/public/index/638>

Succeedin and The PE Suite will be providing the link above to allow parents and careers to access a variety of PE and sports content. To get access to resources, parents just need to email [intheknow@succeedin.co.uk](mailto:intheknow@succeedin.co.uk) with 'ACTIVE AT HOME' in the subject line and the following information:

- SCHOOL NAME
- TITLE
- FIRST NAME
- SURNAME
- EMAIL ADDRESS
