Work to be submitted onto J2Write	<p>As part of your D&T home learning, you have been provided with a brief to design and build a space that encourages individuals and groups to come together as a community.</p> <p>Your task is to think about what you and your local community may want in a shared space and why. Ask family and friends for their ideas. Write down your aims and objectives for the space. For example: Why do you need it? What will it do? Who will it be for? What will it include? How will it be used?</p> <p>Then, write one or two detailed paragraphs to explain your aims and objectives above. Remember to use formal language and powerful vocabulary. Ensure that you write in complete sentences.</p> <p>Upload your detailed paragraph/s onto J2Write. Remember to punctuate your work correctly.</p>														
Online Spelling	<p>As you are aware, we have subscribed to Readwriter Spelling. To login, visit the website (https://login.readiwriter.com/) and enter your Mathletics login details.</p>  <p>We would like you to use the program 2-3 times a week. For example, in your first session you can practise the spelling rule above. During your second session, you can practise the last set of spelling rules and your third session could be revising a previously taught spelling rule from last term.</p>														
Reading	<p>Remember to read every day at home and fill in your reading record. Also it would be hugely beneficial if your adults and carers could read to you as well!</p>
