<b>Date set:</b> 24.05.23	<b>Due in:</b> Tuesday 6 <sup>th</sup> June 2023															
<b>Maths –</b> Times tables	Make sure you are practising your tables throughout the week so that you can recall them rapidly up to 12 x 12. Remember to improve your score on: <div style="text-align: center;">  </div> There is also an activity for you to complete on <b>Mathletics</b> .															
<b>Spellings</b>  	Please log in to Spelling Shed and complete the assignment for this week's spelling rule. <b>We have gone over how to log in together in class and your username and password are stuck in your reading record.</b>  These weeks spellings are:  Group 1: Words with the digraph 'ie' makes an /igh/ sound Group 2: Words with suffixes where the base word ends in '-fer'  If you find the Group 2 words tricky, then learn the Group 1 words instead. You can learn both groups if you like! Ask an adult to test you. These words need to be learned for a spelling test in school next week. Please use a dictionary if you are unsure of the meaning of the words. <table border="1" style="width: 100%; text-align: center;"> <thead> <tr> <th data-bbox="304 898 940 931">Group 1</th> <th data-bbox="940 898 1520 931">Group 2</th> </tr> </thead> <tbody> <tr> <td data-bbox="304 931 940 965">cried</td> <td data-bbox="940 931 1520 965">conferring</td> </tr> <tr> <td data-bbox="304 965 940 999">tried</td> <td data-bbox="940 965 1520 999">difference</td> </tr> <tr> <td data-bbox="304 999 940 1032">fried</td> <td data-bbox="940 999 1520 1032">inference</td> </tr> <tr> <td data-bbox="304 1032 940 1066">dried</td> <td data-bbox="940 1032 1520 1066">reference</td> </tr> <tr> <td data-bbox="304 1066 940 1099">died</td> <td data-bbox="940 1066 1520 1099">transference</td> </tr> <tr> <td data-bbox="304 1099 940 1137">spied</td> <td data-bbox="940 1099 1520 1137">preferred</td> </tr> </tbody> </table>		Group 1	Group 2	cried	conferring	tried	difference	fried	inference	dried	reference	died	transference	spied	preferred
