

All homework should be completed by the Tuesday of each week, along with your J2Write homework. Work submitted on J2Write will be marked by Friday and spellings will be tested in your Zoom time.

Date set: 08.01.21	Due in: 12.01.21
Maths – Times Table Rock Stars	<p>Make sure you are practising your tables throughout the week so that you can recall them rapidly up to 12 x 12. Remember to improve your score on Times Tables Rockstars.</p> 
Maths - Mathletics	<p>Login to Mathletics and complete the assigned task. If you have more time, you may explore the site further. Remember you can access the resources which include workbooks so you can practise any areas you need to do a bit more work on.</p> 
Spellings	<p>This week we have been investigating spellings where hyphens may be required to join the prefix and root word. Recap the rules that apply here. Are there any exceptions?</p> <p>Please learn these words for a test next week. Remember to keep learning your spellings every day. Ask an adult to test you throughout the week.</p>
	re-cover
	co-ordinate
	re-enter
	self-assess
	co-own
re-examine	
Work to be submitted onto J2Write	<p>As part of your PSHE home learning, you were asked to think about what 'normal' means to you and whether it has the same definitions for everyone.</p> <p>Your task is to reflect on your thoughts and feelings about what normal means to you and upload your version of normal onto J2. What do you consider to be normal actions? Are these actions normal for everyone in your class, family, country, worldwide?</p> <p>You can share your views on what defines normal in a few sentences or paragraph; or in another creative way, perhaps a picture or poster using images and captions to explain your definition.</p> <p><b>Upload your thoughts and feelings about what constitutes as normal for you on J2Write. Remember to punctuate your work correctly.</b></p>
Online Spelling	<p>As you are aware, we have subscribed to Readwriter Spelling. To login, visit the website (<a href="https://login.readiwriter.com/">https://login.readiwriter.com/</a>) and enter your Mathletics login details.</p> <p>We would like you to use the program 2-3 times a week. For example, in your first session you can practise the spelling rule above. During your second session, you can practise the last set of spelling rules and your third session could be revising a previously taught spelling rule from last term.</p> 
Reading	<p>Remember to <b>read every day at home and fill in your reading record</b>. Also, it would be hugely beneficial if your adults and carers could read to you as well!</p> <p>Reading records should be in school every day with your reading book.</p>
